Our office is introducing a patient portal where you may access limited chart information such as lab results, medication lists etc.

Please supply your email address below so we may give you necessary information to register on our patient portal to have access to this information.

This portal is for viewing results and will NOT be in place of an office visit where the interpretation of all studies is done as per usual procedure.

**\*\*\*FUTURE OFFICE VISIT DATES CANNOT BE SCHEDULED THROUGH PATIENT PORTAL AND WILL NOT APPEAR ON PATIENT PORTAL\*\*\*\***
